

## **GUROBI BETA TEST AGREEMENT**

### **1. SOFTWARE DEFINITION**

The term "Software" shall mean all computer programs and related documentation for the Gurobi Optimizer, Version 7.5.

### **2. ACKNOWLEDGMENT OF BETA TEST VERSION**

Licensee and Licensor acknowledge and agree that the Software is a beta test version that may contain bugs, defects and errors and that the Software is not expected to function fully upon installation. Licensee and Licensor further acknowledge and agree that the Software is being supplied to Licensee without charge in exchange for Licensee's evaluation of the Software.

### **3. RIGHT OF LICENSOR TO USE LICENSEE'S EVALUATION**

Licensee agrees that Licensor shall have the right to use, in any manner and for any purpose, any information gained as a result of Licensee's use and evaluation of the Software. Such information shall include but not be limited to changes, modifications and corrections to the Software. Licensor shall have the right to use, at its sole discretion, all such information, including but not limited to use by incorporation of such information into computer programs and documentation.

### **4. OWNERSHIP OF SOFTWARE**

Licensee agrees that Licensor owns all rights, title and interest, including but not limited to copyright, patent, trade secret, and all other intellectual property rights, in the Software and any changes, modifications or corrections to the Software.

### **5. CONFIDENTIALITY**

**5.1** *Acknowledgment of Trade Secrets.* Licensee acknowledges that the Software contains valuable trade secrets and confidential information owned by Licensor, including but not limited to, the development status of the Software, the functionality of the Software, and the content of the Software's documentation.

**5.2** *No Disclosure to Third Parties.* Licensee specifically acknowledges and agrees that it shall not permit any third party, representative or agent thereof that develops, markets or licenses computer programs with functionality similar to the functionality of the Software to have access to the Software or to any trade secrets and confidential information therein.
